PLAY INSTRUCTIONS:

1. Place your Color-Change PLAY-DOH® compound and the stamper in the refrigerator for about an hour.

2. Remove compound from refrigerator and knead a ball of it in your hands as shown. As it warms up, the compound magically changes color - from red to yellow, or from dark green to light green!

3. Remove stamper from refrigerator and press it into the compound, and the compound will change back again - from yellow to red, or from light green to dark green!

Product and colors may vary. Molded results vary depending on child's age and level of skill.

4. Snap the two halves of the treasure chest together as shown. Use the molds on the treasure chest and the pirate ship to make pirates, treasure pieces and a parrot!

5. The ship captain stamper piece fits right into his special slot on the pirate ship. Create your own pirate adventure - and watch it change color!

EASY 3 STEP CLEAN-UP!

1. Place Play-Doh® Brand Modeling Compound back in can and seal lid.
2. Remove excess from carpets/fabrics, then allow remaining compound to dry.
3. Loosen dried compound with stiff brush and vacuum clean. If necessary, brush with gentle soap and cold water. (Do not use hot water or cleaning solutions to clean Play-Doh® Brand Modeling Compound from carpets/fabrics.)
