

MESSAGE TO PARENTS:

Thank you for bringing home the Poppin' Piano. This is a wonderful educational product for your child. What could be more exciting than learning from Pooh and his friends from the 100 Acre Wood?

Your child will learn about colors, music, song recognition, identification and much more! These skills are critical to a preschooler's cognitive development. Kids will learn all about their colors and the characters of the 100 Acre Wood with the Poppin' Piano. Each time a key is pressed, Pooh or one of his loveable friends will POP up. For instance, when the yellow key is pressed, Rabbit will POP up. The unit features three different modes of play: Colors, Piano Sounds, and Melodies.

2

Turn ON the unit by sliding the button to one of the three different modes:

- COLOR -- Each time a key is pressed the specific character will POP UP telling the child the color of the key. The unit teaches 8 different colors.
- PIANO -- The unit plays 8 different piano sounds (Do, Re, Me, Fa, So, La, Ti, Do). Kids can learn how to play 8 melodies by following along with the color coded songbook included. (see pages 4-16)

The melodies are listed above each key on the unit (Pooh Theme Song, Happy Birthday, Row Row Your Boat, Polly Wolly Doodle, Old Mac Donald, Twinkle Twinkle Little Star, Rock-A-Bye Baby)

The Poppin' Piano features an attached carrot microphone so kids can sing along with Pooh and all the characters of the 100 Acre Wood. There is a holder on the side of the unit to store the microphone.
