

CONTENTS

Gameboard • Plastic jewelry box with spinner • Plastic Cinderella crown
• 4 Plastic glass slipper pawns • 20 Pieces of plastic jewelry (4 necklaces, 4 bracelets, 4 sets of earrings and 4 rings) • Cardboard clock tower pawn with stand • 2 Label sheets with plastic jewel stickers

OBJECT

Be the first player to have the crown and a complete set of jewelry in your color (necklace, bracelet, 2 earrings and ring) – but not the clock tower pawn!

FIRST TIME YOU PLAY

1. Remove the shrink-wrap from the jewelry box and discard.
2. Apply the jewels: Remove the shaped jewel stickers from the label sheet and press them onto the jewelry box as shown on the bottom of the game box. Now you must decorate the crown. Be creative and apply the small, round jewels in any way you like. Discard any waste or unused jewels. NOTE: A princess rarely decorates her own crown, so have an adult help. You should never place jewel stickers on skin or clothing.
3. Punch out the clock tower pawn from the part sheet. Discard the waste. Insert the clock tower pawn into the plastic base.
4. Carefully unwrap all necklaces, bracelets, earrings and rings. Discard the plastic bags. Place jewelry inside the jewelry box.

SETUP

1. Assemble the gameboard. It will go together only one way, in this clockwise color order: Blue, Pink, Yellow, Purple.
2. Place the open jewelry box with the crown around it in the center of the gameboard. Place the lid nearby, spinner-side up.
3. Place the clock tower pawn near the spinner.
4. Choose your jewelry color for the game (pink, yellow, purple or blue). Sit facing the gameboard corner of that color.
5. Put your matching color slipper pawn on any space on the circular gamepath.
(Do not place it on a gameboard corner.)

HOW TO PLAY

Each player spins the spinner. Whoever spins the highest number goes first. Play continues clockwise.

ON YOUR TURN

Spin the spinner and move your pawn clockwise around the gamepath the number of spaces shown on the spinner. Follow the directions for the space you land on. Your turn is then over.

NOTE: Players can share any space.

GAMEBOARD SPACES

JEWELRY SPACES:

Pull that piece of your color jewelry out of the jewelry box and put it on. If you already have that piece of jewelry, your turn is over.

NOTE: You may take only one earring each time you land on an Earring space. Carefully bend the earring clip open and then squeeze it closed to fit on your ear.

CROWN SPACE:

Take the crown from either the jewelry box or from the player who is wearing it and put it on.

CLOCK TOWER SPACE:

Take the clock tower pawn from beside the spinner or from the player who has it. You must keep the clock tower pawn until you can get rid of it.

PUT ONE BACK SPACE:

If you have the clock tower pawn, now you must get rid of it by placing it near the spinner. If you do not have the clock tower pawn, you must return any one of your jewelry pieces (an earring, a

bracelet, a necklace or a ring) or the crown to the jewelry box. If you have nothing to return, your turn is over.

TAKE ANY PIECE SPACE:

Take any piece of your color jewelry from the jewelry box or take the crown from the jewelry box (or from the player who is wearing it) and put it on.

HOW TO WIN

Collect a complete set of jewelry in your color (necklace, bracelet, ring and both earrings) plus the crown — but not the clock tower pawn — and you've won the game!

CONTENIDO

Tablero de juego • Joyero en plástico con ruleta • Corona de Cenicienta en plástico • 4 zapatillas de cristal en plástico como peones • 20 piezas de joyas en plástico (4 collares, 4 pulseras, 4 juegos de aretes y 4 anillos) • Peón en cartón de la torre del reloj con soporte • 2 hojas de etiquetas con joyas en plástico para pegar

OBJETIVO

Ser el primer jugador en obtener la corona y un juego completo de joyas del color que escogiste (collar, pulsera, 2 aretes y anillo), ¡pero no el peón de la torre del reloj!

LA PRIMERA VEZ QUE JUEGAS

1. Sacar las joyas de la envoltura y deshazte de la envoltura.
2. Para pegar las joyas: Desprende las etiquetas en forma de joyas de la hoja de etiquetas y pégalas presionándolas al joyero como se ilustra en la parte inferior de la caja del juego. Ahora debes decorar la corona. Con creatividad, coloca las pequeñas joyas redondas como tu quieras. NOTA: Una princesa casi nunca decora su propia corona, pídele la ayuda a un adulto. Nunca coloques las joyas para pegar en tu piel o en la ropa.
3. Desprende el peón de la torre del reloj de la hoja de piezas. Deshazte de los residuos. Introduce la torre del reloj en la base de plástico.
4. Con mucho cuidado desenvuelve todos los collares, pulseras, aretes y anillos. Deshazte de la bolsa plástica. Colócalos las joyas dentro del joyero.
