

Congratulations! You are the proud owner of a BATH PUP SURPRISE™ Baby Pup!

If your puppy is a Swimming Pup, he/she will have long arms that can be wound-up for swimming; if your puppy is a Squirting Pup, he/she will have an opening in the mouth for water.

Play Instructions for Swimming Pup:

Gently twirl both of your puppy's arms back in a counterclockwise direction for several rotations. Place puppy in water, and watch your pup swim across the top of the water!

Play Instructions for Squirting Pup:

To fill your pup, submerge in water, squeeze tummy and release. Lift puppy out of water and tilt downward so that water rests in head. Now when you squeeze the tummy, your puppy will squirt water from his/her mouth!
