Youll sealch and find Phil in stage I, Lil in stage 2, Chuckle in stage 3, and Dil and your dad in stage 41 Don't be scaled. As Tommy says, "It's Justa leally big aventule"!

LEARNING "SPONSITILITY"

You are going to learn "Sponsitility". The Tesponsibility You learn is that no matter what happens, no matter how cold or rainy, or full of mankeys the world gets, you've got to stay loyal to your friends and family. So when Dil and your fliends get lost, you have to find them!

In stage 1, you have to find Phil and Pull him into the Reptal wagon with you. In stage 2, you have to find Lil and Pull her into the Reptal wagon alongside you and Lil. In stage 3, you have to find Chuckle and Pull him inside the Reptal wagon with Phil and Lil. In stage 4, with the support of your friends, your feelings of "sponsitility" will pay off for playing faithfully through the game, looking for your friends and Dil - you will be rewarded by finding your baby brother, Dil, and will Pull him into the Reptar wagon alongside You, Phil, Lil, and Chuckle.

You always play as Tommy. You're always driving the Reptar Wagon! Your objective of the game is to guide Tommy and the Rugiats through the various obstacles in their path as they search for the "Lizard" who will give them directions back home again.

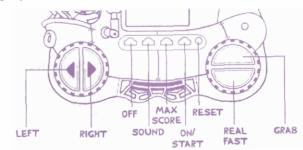

There is a time limit for each stage. The time goes by Just like it does in the pocket watch that Stu gave to Tommy. Tommy calls the watch his "sponsitility" and the watch is symbolic to him of his need to show great "sponsitility" by Protecting Dill

Whenever you are glabbed by a monkey of Angelica, it slows
you down and costs you valuable time. Since each
stage has a time limit, time is really
important. You need all the time you

can get to scole as many points as possible!

If you can rescue your baby
brother Dil in the final stage, you
will WIN the game! You'll then
see you'self and Dil and you'r Dad
(in his flying pterodactyl machine)
all together again! If you can't
pull Dil into the Reptar wagon in
the final stage - Just keep
practicing your "sponsitility" by
playing the game over again until
you can rescue Dil (and score as
many points as you can!).
