

STAR WARS®

Ten years after the fight to save Naboo from invasion, the galaxy is on the brink of civil war. Under the leadership of a renegade Jedi, thousands of solar systems threaten to secede from the Galactic Republic. A courageous Jedi Knight, his impulsive and headstrong apprentice, and a queen-turned-senator are drawn into the heart of the conflict... and the beginning of war.

Clone Trooper™

Formidable fighters engineered for battle, a number of the Clone Troopers are deployed on speeders, then race into battle against the enemy forces. Daringly flying alongside the AT-TEs™, they lob electro grenades into the vehicles to disable them in crippling explosions.

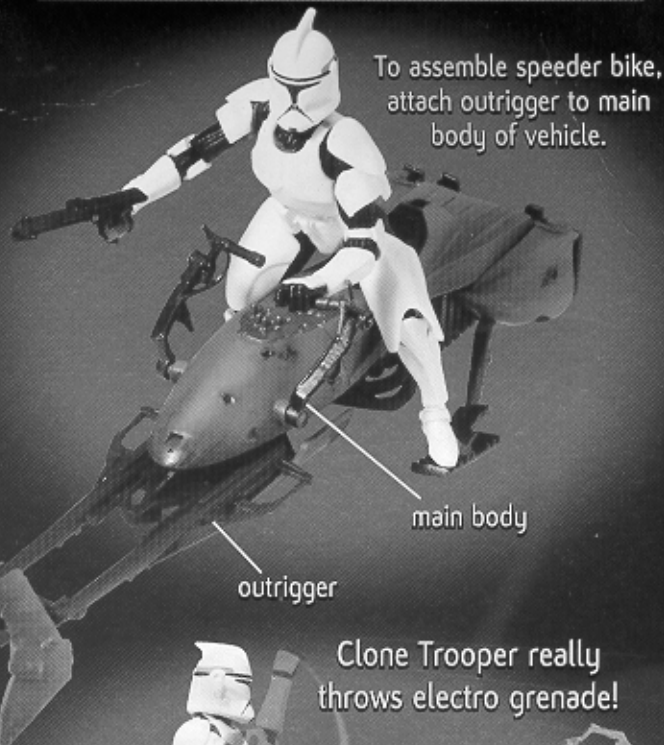

Attach armor to Clone Trooper.

Speeder bike fits in the vehicle storage bay of the Republic Gunship (sold separately).

Republic Gunship™

To assemble speeder bike, attach outrigger to main body of vehicle.

Clone Trooper really throws electro grenade!

Place grenade in figure's hand, then move arm back and activate button to release.
