PLAY FEATURES

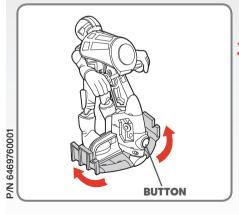

There are all kinds of ways to have fun with the *Star Wars* Jedi Force™, the strongest and bravest group of galaxy guardians ever known! Here are a few play features and suggestions:

 Safety first! Put the Safety Helmet on Han Solo before he goes for a ride.

2. Place Han Solo figure on the Jet Bike by putting his feet in the stirrups and hands on the handlebars.

3. Press the activation button to make landing gear flip up to form wings and put the bike in "flight" mode! Squeeze wings back together to put the bike in "landing" mode.
