NEAT STUFF!

Before first use, pull the plastic battery tab to activate batteries.

BATTERY INSTALLATION

Sound Bites use two AAA batteries. To install or replace batteries, unscrew battery door and remove. Insert two AAA or LRO3 batteries as shown.

Installation of batteries should be done by an adult. Do not mix new and old batteries. Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries (nickel-cadmium).

LIMITED WARRANTY

We warrant all products to be free from defects in material and workmanship under normal use for a period of 90 days from the date of original purchase. We will repair free of charge or replace at no charge should this product become defective under its warranty. Pack carefully and return postage to OddzOn/ Sound Bites 50 Technology Court, Napa, CA 94558. Tel 1-800-755-6674.

RADIO**

SCAN UP TO YOUR FAVORITE STATION!

After turning on your Pop Radio, push the Reset button to start at the bottom of the dial. Put the pop between your teeth. Push the arrow to electronically scan up to your favorite station. Make sure the antenna is pulled out for better reception. Now you are ready to hear your favorite station INSIDE your head!

USE WITH OR WITHOUT CANDY!!!

Your new POP RADIO can be used with or without candy. Most standard lollipops work or try the special "Bite Bar" included. Simply insert the "Bite Bar" just like you would a lollipop.
