To Replace Batteries

1. Open seam on figure and remove battery compartment.
2. Using Phillips head screwdriver, loosen screw on battery box and remove battery cover.
3. Remove exhausted batteries and replace with 3 new "AAA" alkaline batteries.
4. Replace battery cover and tighten screw. Insert compartment into toy and close seam.

CAUTION:

1. As with all small batteries, the batteries used with this toy should be kept away from small children who still put things in their mouths. If they are swallowed, promptly see a doctor and, in the U.S., have the doctor phone (202) 625-3333 collect, or, in Canada, have the doctor call your provincial Poison Control Centre.
2. Make sure the batteries are inserted correctly and always follow the toy and battery manufacturers' instructions;
3. Do not mix old batteries and new batteries or alkaline, standard (carbon zinc) or rechargeable (nickel-cadmium) batteries.
