Super Corner Guards

Soft, transparent Super Corner Guards have unique extra cushion bumpers to help protect playful babies from sharp corners and angles on tables, chairs, shelves and other household furniture.

INSTALLATION

1. Before installing, place Corner Guards in warm water.
2. Remove wax or polish from furniture corners before applying Corner Guards.
3. Peel off paper backing from one side of enclosed double-stick tape and apply to clean, dry furniture corner surface. Do the same for the other corner surface, as shown.
4. After the tape has been applied to each corner, tear off top paper backing and firmly press Corner Guard onto corner.
