

DIRECTIONS FOR SUPER-HEROES™ CARD GAME

(This card is *not* used in the game.)

OBJECT:

To match and discard all your cards. Don't get caught by Doctor Doom™!

CONTENTS:

39 Cards—19 pairs of Super-Heroes™ and 1 Doctor Doom™

TO PLAY:

1. Choose one player to be the dealer. The dealer mixes up the cards and deals them out. Starting with the player to the left of the dealer, cards are dealt one at a time, face down, in a clockwise direction.
2. Look at your cards. Check to see if you have any matching cards. Matching cards are cards which have the same number and character on them. Example: The two #3 cards match because both show Mister Fantastic™.

3. Discard any matched cards face up in a pile. The matched cards are out of the game. Keep the unmatched cards in your hand.
4. Starting with the player to the left of the dealer, each player, in turn, picks one card from the player on his right. When another player picks a card from your hand, hold your cards up with the backs facing the other players.
5. When you pick a card from another player and it matches one in your hand, place the two matching cards, face up, in the discard pile.
6. If you are the first player to match and discard all your cards, then you win! The other players continue the game.
7. As the rest of the players match all their cards, they are eliminated from play. The game continues until only one player is left.

End of the game

The player who is left holding the Doctor Doom™ card is the loser and the game is over.
