

Remove all pieces from plastic frames. If you have difficulty, have an adult use safety scissors. Remove all pieces from plastic bags and discard bags IMMEDIATELY.

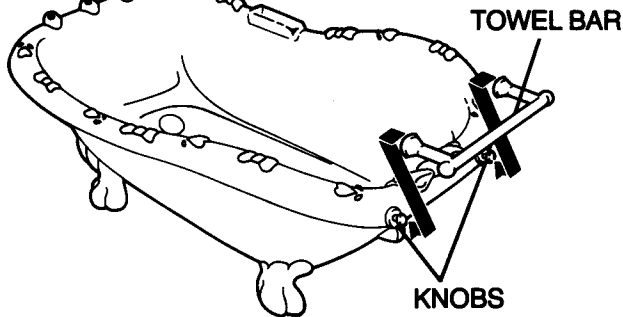

1. Turn tub upside down. Insert bar on foot marked "1" (number found inside foot) into slot in tub marked "1". Repeat for remaining feet, matching number on foot with number on tub.

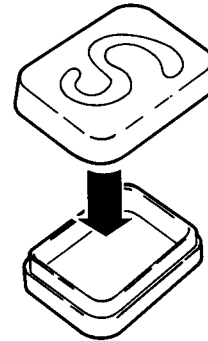

5. Press together both halves of blow dryer.

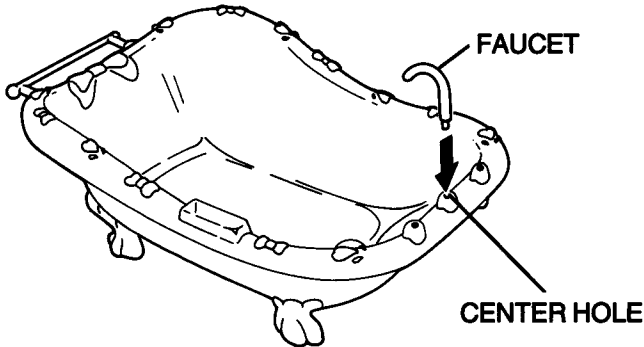

2. Turn tub right side up. Snap towel bar onto knobs on higher end of tub, with smooth side of bar facing up.

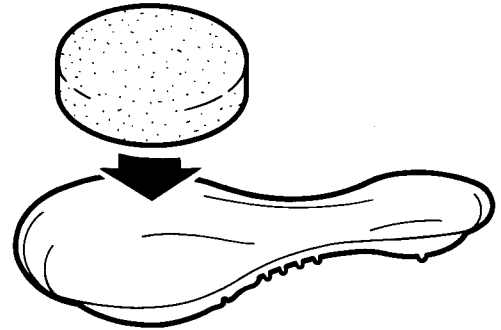

6. Press together both halves of soap. You can place soap inside soap dish, located on one side of the tub.

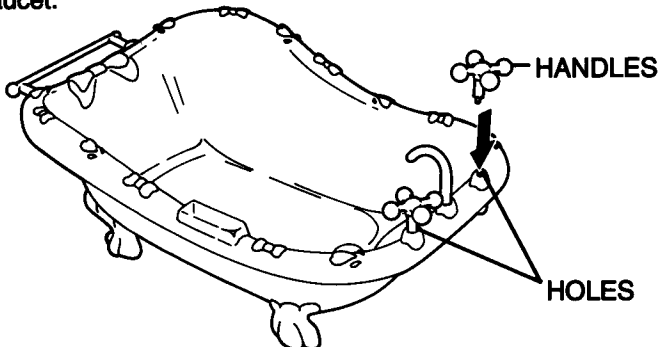

3. With faucet facing inside tub, insert post on faucet into center hole in lower end of tub.

7. Peel off backing from sponge. Press adhesive side of sponge onto brush.

4. Insert posts on faucet handles into holes on each side of faucet.

Notes:

- Remove ribbons, barrettes or other accessories from pups' and kitties' hair before giving them baths.
- When you have finished giving your pup or kitty a bath, empty the bath water down a drain in a sink or tub.
- After your Sweetie Pups or Sweetie Kitties take baths, the water will drain out under their tails.
- Let curly hair dry before combing it.
