CONTENTS:
1 plastic castle base
8 metal rings
1 label sheet

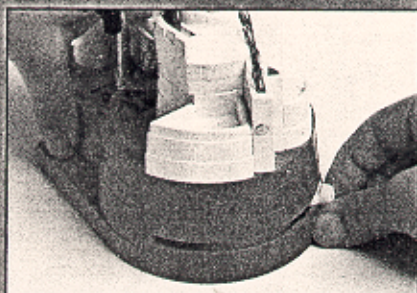

SIR RING-A-LOT™

OBJECT: Spear all 8 rings before the timer stops.

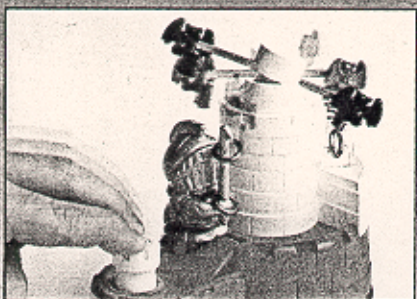

Can you Lance All The Rings Before Time Runs Out?

1. Apply label where shown in picture 4. To begin a game, place each ring in the slot and roll it down into its starting position, as shown.

2. Move the timer arm counterclockwise as far as it will go. The bats will pick up the rings for a ride around the tower.

3. As a bat flies over the Knight, press the button to lance the ring. But aim well—each ring only goes around once!

4. Keep lancing the rings as the bats fly by. Try to lance all 8 rings before you run out of time!
