

MONGOL WARRIOR™ INSTRUCTIONS

1. Place sword in figure's right hand as shown. While holding legs, twist upper body to its right and release for Power Slice Action™

2. Crossbow handgrip is repositionable for several firing positions.

3. Place handgrip in figure's left hand. Insert one arrow through center hole for firing. With arrow groove against string, pull both the arrow and string back; release to fire. Store other two arrows on bow in holes as shown.
