

The logo features a stylized excavator character with a large, toothy mouth and a 'Tonka' brand name on its chest. Below the character, the word 'CHOMPER' is written in large, bold, outlined letters. Underneath that, 'MY TALKIN' TRUCKBOT™' is written in a smaller font inside a rectangular frame with rounded corners.

CHOMPER

MY TALKIN' TRUCKBOT™

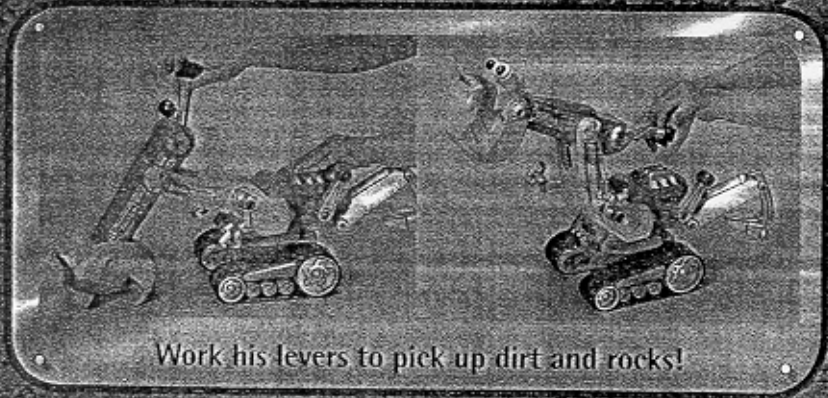

Here comes the most fun-lovin' excavator ever...it's Chomper My Talkin' Truckbot! He loves to tell jokes and laugh. Move his levers to swing his tail and make him pick up stuff with his jaws—he even talks with his mouth full! When the workday is over, clean all the dirt off—Chomper is washable!

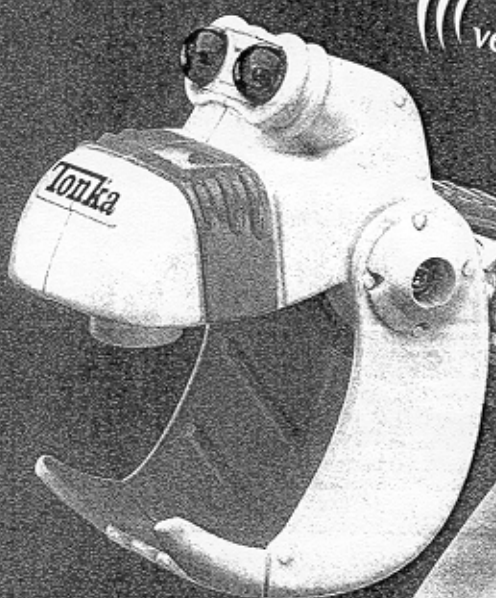

Move his arms...
he's ticklish!

"Nothing's better
than a rock sandwich"

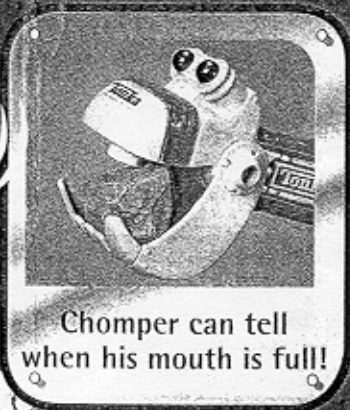

"Ha Ho Ho, that
tickles...hee hee!"

Work his levers to pick up dirt and rocks!

“Thanks, I’m very hungry!”

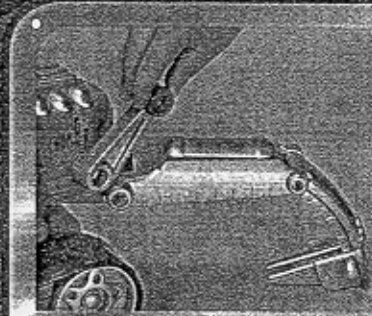

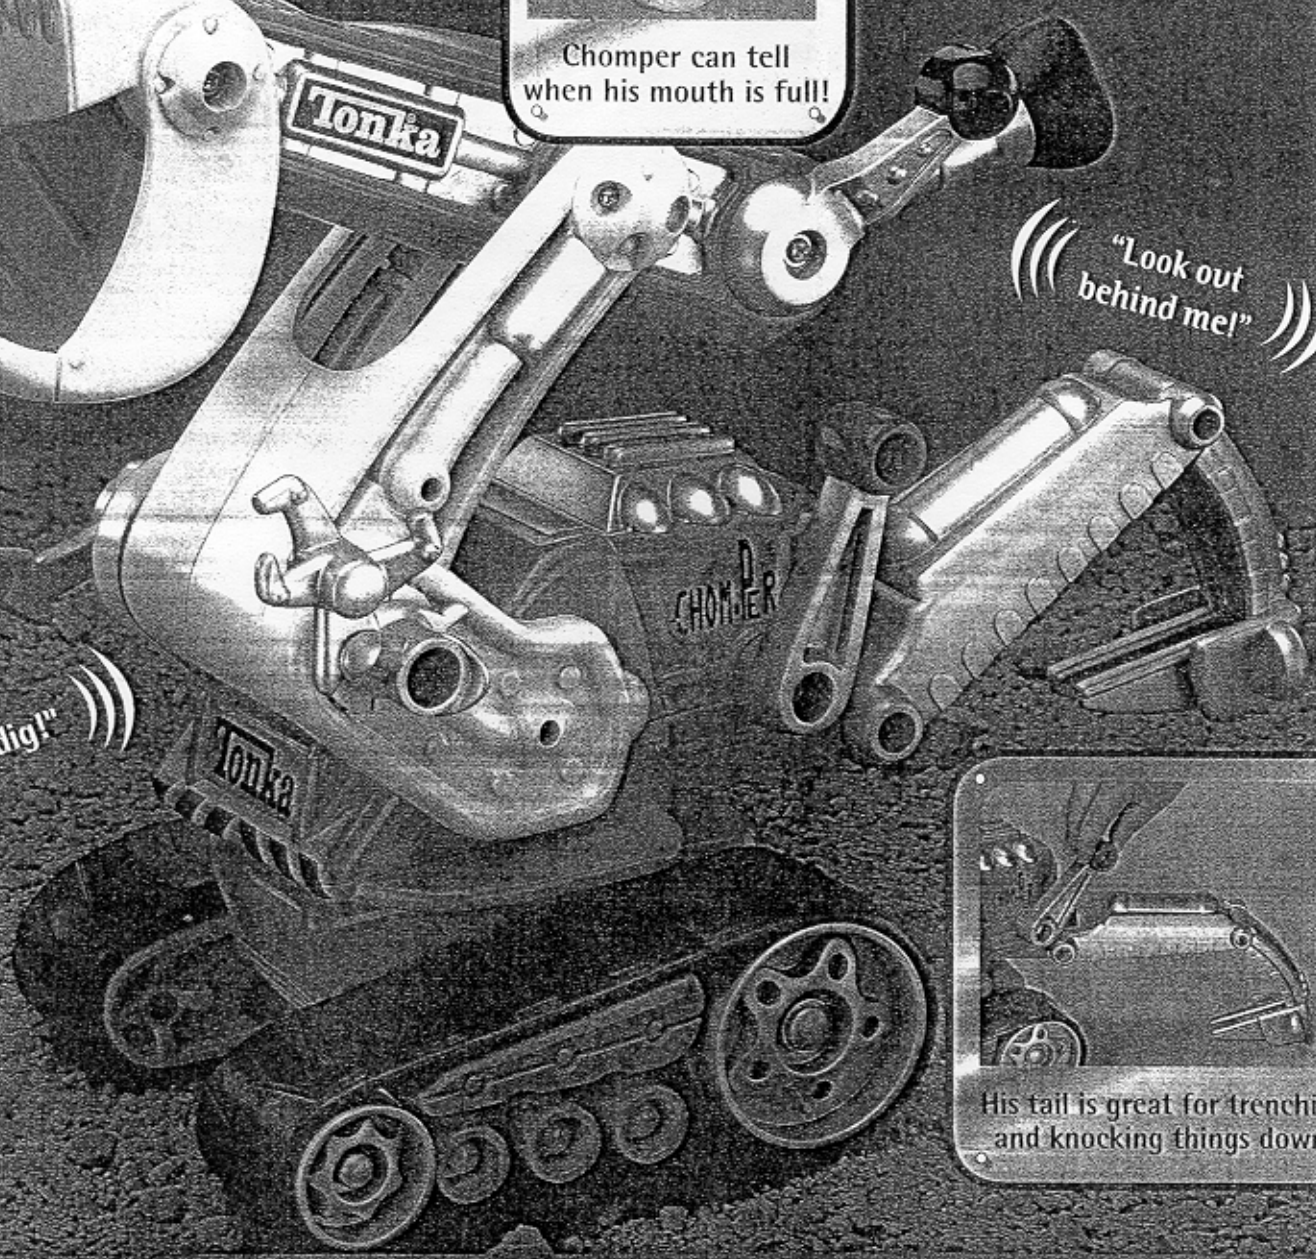

Chomper can tell when his mouth is full!

He’s got plenty of fun things to say!

“Look out behind me!”

“Let’s go dig!”

His tail is great for trenching and knocking things down!
