**MAXIMAL™
BONECRUSHER™**
FUNCTION: FIRST-STRIKE INFANTRY

As stubborn as he is strong, nothing can stop the brawny Bonecrusher™ when he charges into battle to crack some skulls! Like a living locomotive with a one-track mind, all he wants to do is fight, fight, fight! Optimus Primal™ tries to get him to lighten up, if only to prevent him from overheating an internal coolant co-processor, but Bonecrusher™ would rather be out pounding his enemies into cyber scrap. His favorite attack strategy is to stun opponents with a dizzying head-butt, and then finish them off with a fast-firing missile shot straight from his mouth!

CLIP AND SAVE INSTRUCTIONS:

INSTRUCTIONS:

Excessive force is not necessary.
Adult supervision may be necessary for younger children.

1 ATTACK WEAPON

Pull back on tail to shoot missile. Manually reload missile.

2

Pull shoulders out. Raise buffalo legs and pull out robot arms.

3

Fold buffalo feet up. Fold buffalo legs down.

4

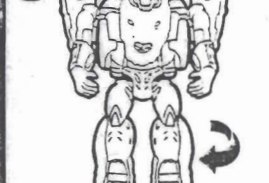

Hidden Energon™ Chip
Rotate robot arms out and turn hands inward. Rub hidden Energon™ chip to reveal true allegiance.

5

Lower buffalo head and pivot robot head forward.

6

Extend lower robot legs and turn them around at hips.

7

Pull out side leg panels. Rotate buffalo feet into back of leg.

8

Pull tail to fire missile in robot mode.
