NOTE: Some parts are made to detach if excessive force is applied and are designed to be re-attached if separation occurs. Adult supervision may be necessary for younger children.

NOTA: Certaines pièces se détacheront sous une trop forte pression; dans un tel cas, il suffit de les réemboîter. La supervision d’un adulte peut être nécessaire pour les plus jeunes enfants.

NOTA: Algunas piezas podrían desprenderse si se aplica demasiada presión. Si ello ocurre, vuelva a unirlas. Requiere la supervisión de un adulto con niños más pequeños.

Includes 3 x 1.5V “A-76”/LR44 button cell batteries. Phillips/crosshead screwdriver (not included) needed to replace batteries.

Inclut 3 piles-boutons A76/LR44 (1,5 V), à remplacer à l'aide d'un tournevis cruciforme non compris. Incluye 3 pilas de reloj A76/LR44 (1,5 V). Requiere un destornillador en cruz (no incluido) para cambiar las pilas. Tensión: 1,5 V x 3. Consumo: 0,03 A.

CHANGING TO HOVER JET • POUR CHANGER EN AÉROJET • PARA CAMBIAR EN AERO-JET

TO REPLACE BATTERIES:

Use a Phillips/crosshead screwdriver (not included) to loosen screw securing battery compartment door and remove door (screws remain attached to door). Remove and discard batteries. Insert 3 A76/LR44 (1.5V) batte
ties, flush with base. Replace battery compartment door and tighten screw with screwdriver. See diagrams.

ATTENTION:

ADVERTENCIA:

CAUTION:

IMPORTANT: BATTERY INFORMATION

Please read this information for future reference. Batteries should be replaced by an adult.

1. Always follow the instructions carefully also the battery specification and be sure to inst
tall them correctly by matching the + and – polarity marking.
2. Do not mix old and new batteries, or standard (carbon-zinc) with alkaline batteries.
3. Remove exhausted or dead batteries from the product.
4. Remove batteries if product is not to be played with for a long time.
5. Do not short-circuit the supply terminals.
6. Should this product cause, or be affected by, local electrical interference, move it away from
tother electrical equipment.
7. REPLACEABLE BATTERIES: Do not mix these with any other type of battery.
Always remove from the product before recharging. Rechargeable batteries under adult supervision.
DO NOT REPLACE OTHER TYPES OF BATTERIES.
8. With small toys, batteries should be kept away from children who may still put things in
their mouths.
9. Medical attention immediately.

FCC Statement:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including any interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this digital television causes harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and the receiver.
3. Connect the dealer or an experienced radio/TV technician for help.

STAPLES IMPORTANT SOBRE LAS PILAS
