challenge yet as they struggle to free their planet!

TRANSFORMERS™

EVIL VEHICONS™

JETSTORM™

Jet Fighter

Function: Aero-drone General
Motto: "I am not bound by the Law of the Land!"

The appointed General of Megatron's aero-drones, Jetstorm is the hotshot lord of the skies over the enslaved planet of Cybertron. Quite a talker, tends to engage in tactics of verbal intimidation. Headstrong attitude and less than modest personality often cause friction with the other generals – but impressive combat abilities speak for themselves. Outfitted with various types of energy blasters and plasma bombs. Extremely swift and maneuverable in vehicle mode. Rather flighty, Jetstorm never touches land – must convert into robot mode where he hovers over the ground.

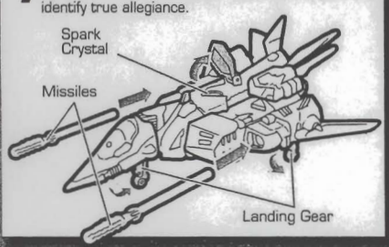
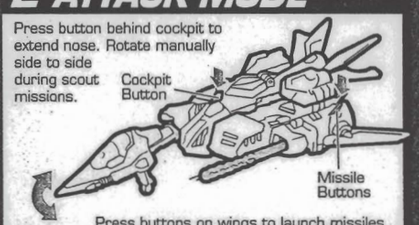
INSTRUCTIONS: Excessive force is not necessary. Some parts are made to detach if excessive force is applied and are designed to be re-attached if separation does occur. Adult supervision may be necessary for younger children.

1 Insert missiles into launchers. Lower landing gear. Open hatch on top to reveal Conversion Crystal and identify true allegiance.



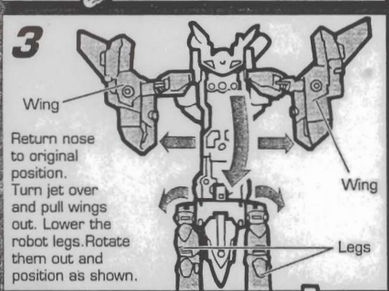
2 ATTACK MODE

Press button behind cockpit to extend nose. Rotate manually side to side during scout missions.



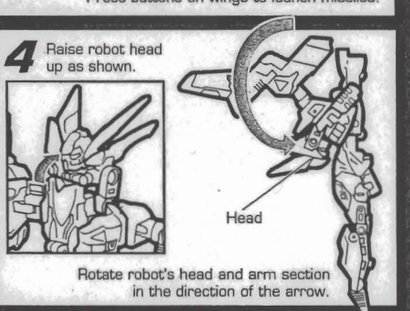
Press buttons on wings to launch missiles.

3



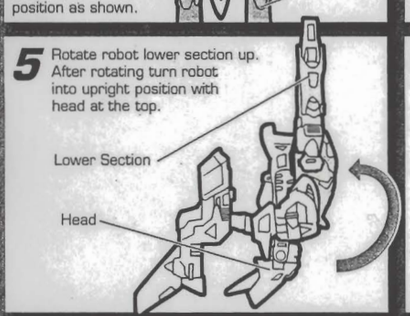
Return nose to original position. Turn jet over and pull wings out. Lower the robot legs. Rotate them out and position as shown.

4 Raise robot head up as shown.

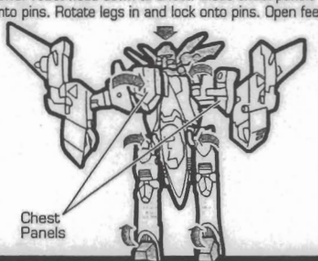


Rotate robot's head and arm section in the direction of the arrow.

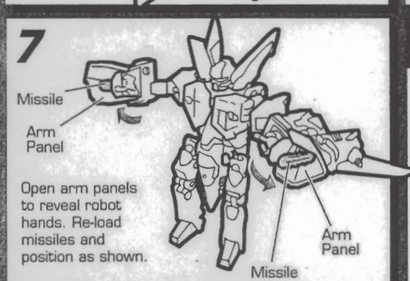
5 Rotate robot lower section up. After rotating turn robot into upright position with head at the top.



6 Lower robot head down to chest. Close chest panels onto pins. Rotate legs in and lock onto pins. Open feet.



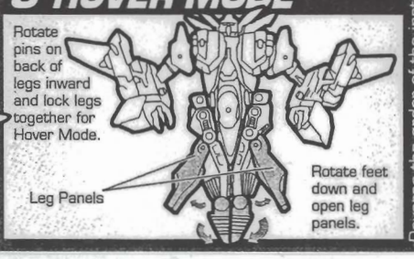
7



Open arm panels to reveal robot hands. Re-load missiles and position as shown.

8 HOVER MODE

Rotate pins on back of legs inward and lock legs together for Hover Mode.



Rotate feet down and open leg panels.

CLIP AND SAVE INSTRUCTIONS:

Reverse the order of the instructions to convert back into jet.

Have an adult cut along dotted lines.
