

HEROIC MAXIMAL™

SNARL™

Lion

Function:
Strategic Specialist

Motto: "They won't even see it coming!"

As a strategic genius, Snarl is a critical component of the Maximal command. Has the uncanny ability to sense his opponent's weaknesses and exploit them to Maximal advantage. Considers Vehicons a substandard challenge to his abilities - desires a match of tactics and cunning against Megatron where the victor wins the war over Cybertron. Has an ambush style of attack that rarely leaves his enemies the option of survival.
