NOTE: Some parts are made to detach if excessive force is applied and are designed to be re-attached if separation does occur. Adult supervision may be necessary for younger children.

NOTA: Certaines pièces se détachent sous une trop forte pression; dans un tel cas, il suffit de les réemboîter. La supervision d'un adulte peut être nécessaire pour les plus jeunes enfants.

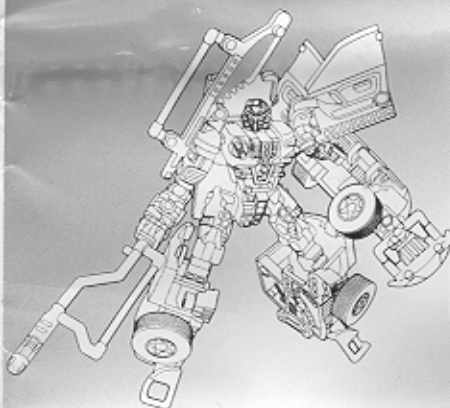

NOTA: Algunas piezas podrían desprenderse si se aplica demasiada presión. Si ello ocurre, vuelve a unirlos. Requiere la supervisión de un adulto con niños más pequeños.
