TRIPLE SHOT BATTLE: Challenge Your Opponent!

- Assemble 3 tops and decide which top to battle in each round.
- Complete 3 battles using a different top for each battle.
- The longest-spinning top wins each round.
- The Beyblader who wins 2 out of 3 battles is the winner!

BATTLE TIPS: Collect, Customize and Compete!

Collect. When you increase your Beyblade collection, you can expand your winning strategy options and battle tactics.

Customize. Customize your tops and see how it affects the way they battle. Try switching around the parts among your tops. The more tops you collect, the more parts you have for customizing. Switch around the Spin Track™ and Performance Tips™ to see how different combinations can change the way the tops battle.

Compete. Strategize when designing and choosing a top for each battle. Some things to think about: What types of tops are you and your opponent using? Which launchers are you both using? What stadium are you battling in? Practice. Prepare. Then – LET IT RIP™!
