GAME

1 CLASSIC CONNECT 4

HOW TO WIN: *Be the first player to get 4 of your colored discs in a row.*

GAME PLAY

Make sure the PopOut bar is down and locked to prevent discs from falling out.

- Decide who plays first.
- On your turn, drop one of your discs into ANY slot in the top of the grid.
- Take turns until one player gets 4 of their color discs in a row – horizontally, vertically or diagonally.
- If you're the first to 4-in-a-row, you win!

TO START ANOTHER GAME

Clear the grid by flipping the PopOut bar up. (The bar must be in the PopOut position to be flipped up.) The discs will drop and you'll be ready for another game. Be sure to put the bar back into place.
