OBJECT OF THE GAME

Be the first to flip four cards in a row!

GET READY

1. Set out the cards and dice.
2. Shuffle the cards and give 16 to each player.
3. Arrange your cards face up in a 4x4 square.
4. The player whose birthday is coming up next goes first.

ON YOUR TURN

1. Roll the dice.
2. Each player with a card matching the head-and-body combination on the dice flips the card over. If you have more than one match, choose **one card** to flip.
 - If you roll the dice and get a wild , everybody flips **one card** that shows the head or body pictured on the other die.
 - If you roll two wilds, each player flips **any one card**.
3. Now it's the next player's turn.

HOW TO WIN

The first person to flip four cards in a row—up, across, or diagonally—and shout “BINGO!” wins.

TRY THIS

Be the first to make one of these patterns!

MORE WAYS TO PLAY

For younger players, give each player 9 cards (instead of 16) and arrange the cards face up in 3x3 squares. The first player to flip three cards in a row wins!

For a tougher challenge, try a three-player game using 25 cards each, arranged in 5x5 squares. The first player to flip five cards in a row wins!
