With left leg.

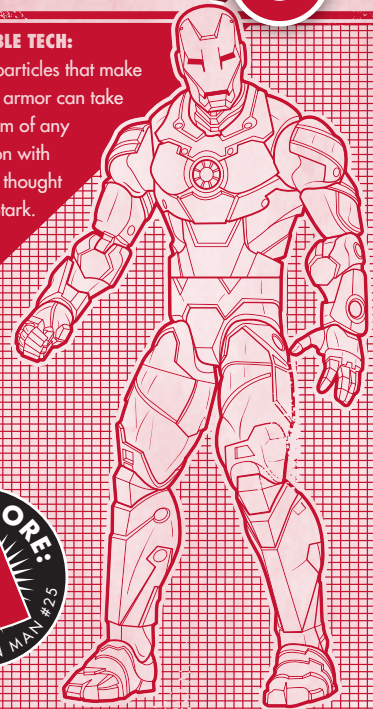

**COMING FALL 2013**  
With right arm.

**COMING FALL 2013**  
With head.

**COMING FALL 2013**  
With left arm.

**NOTABLE TECH:**

Nanoparticles that make up the armor can take the form of any weapon with only a thought from Stark.

## HEROIC AGE IRON MAN

IRON MAN enters the Heroic Age with armor that goes beyond Extremis, beyond anything the world has ever seen. To the rest of us, the armor represents the bleeding edge of technological achievement. To a genius like Tony Stark, it's just the next thing.
