GET READY!

LET'S PLAY!

Choose a pawn and place it at the racetrack start space. Mix up the cards and place them all facedown. Youngest player goes first. On your turn, flip any two cards picture-side up. The cards must be turned over completely, so that all players can see them.

A MATCH:

Place each matching card into any slot in the grandstand card holder. Then move your pawn forward one space on the racetrack. Continue taking turns until you miss.

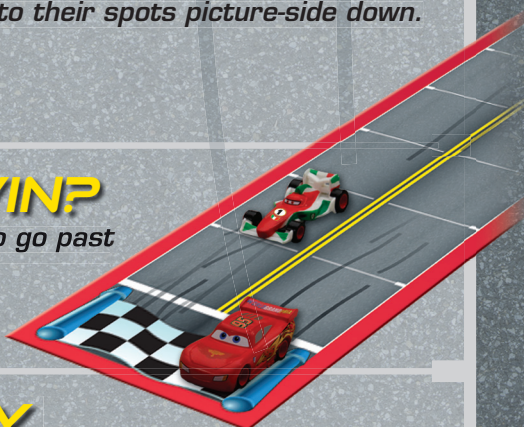

A MISS:

Place the cards back into their spots picture-side down. This ends your turn.

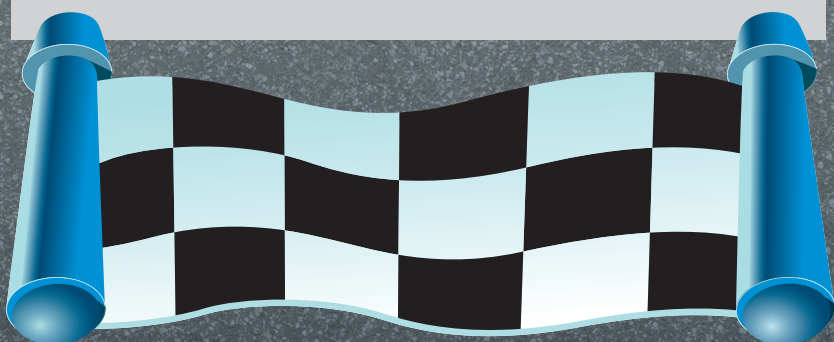

DID YOU WIN?

If your car is the first to go past the finish line, you win!

SOLO PLAY

This is excellent practice for developing concentration and memory skills. Just set up the game as described above. Try to improve with each game you play.
