

GET READY!

- The youngest player goes first and then play continues to the left.
- For a BEGINNER game, use only 9 matches (18 cards). For the REGULAR game, use 18 matches (36 cards).
- Mix up the cards and arrange them facedown in rows of 3.
- Remove one card to avoid a tie game.

HOW TO PLAY

The first player turns over 2 cards to see if they match. All players should see the 2 cards.

- **If they match**, the player keeps the pair of cards and takes another turn.
- **If they don't match**, the player puts them back facedown. Play moves to the next player.

HOW TO WIN

Each player counts his matching pairs after all the matching cards have been collected. The player with the most pairs wins!
