1. Open the front of the truck, as shown. Remove the pony figure from the driver's seat.

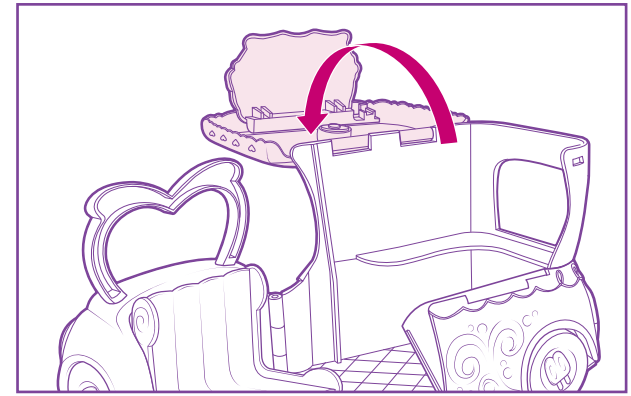

2. Remove the truck seat, turn it around, and reinsert it so that the seat is facing the inside of the truck. Sit the included pony figure in the seat!

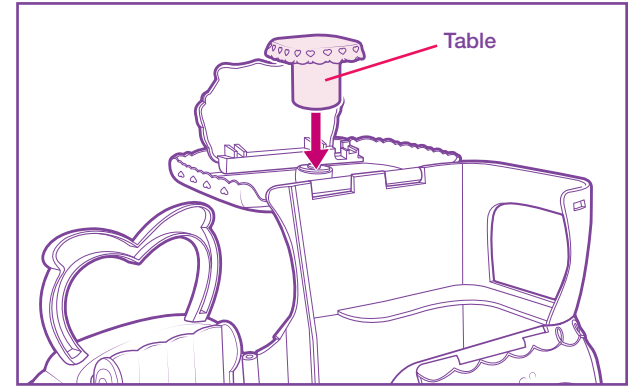

3. Turn the ice cream cone on the top of the truck, as shown.

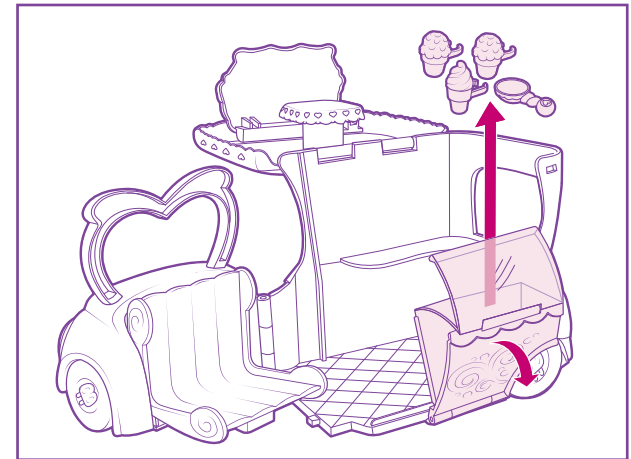

4. Lift open the top of the truck.

5. Press and fit the table into the center of the roof.

6. Pull down the freezer container for ice cream toys: 1 ice cream scooper and 3 ice cream cones.

Time for ice cream!

To convert the parlor back into a truck: reverse the orientation of the truck seat; remove the table, and place it inside the vehicle; close the freezer, close the front and top of the truck; and move the ice cream cone on the top of the truck to its original position.
