OPERATION®

SILLY SKILL GAME

RADAR RASH AND ASTEROIDS HAVE BUZZ LIGHTYEAR IN A TIZZY - AND THAT LAZY LASER SURE IS MAKING HIM DIZZY! CAREFUL - A TAP ON THE BUZZER WILL SET YOU BACK AND GIVE BUZZ LIGHTYEAR AN ASTEROID ATTACK! DO YOUR BEST AND DON'T DELAY AND YOU CAN MAKE BUZZ LIGHTYEAR'S DAY!

OBJECT

Earn the most money by successfully "operating" on Buzz Lightyear.

CONTENTS

Gameboard with Buzz Lightyear "patient" and tweezers • 24 cards • 12 Plastic funatomy parts • Play money • Storage drawer

THE FIRST TIME YOU PLAY

- Insert the batteries (see Battery Information)
- Remove the Funatomy game pieces from the plastic frame. If needed use an emery board or sandpaper to remove the excess plastic from the game pieces. Discard the frame after removing all of the game pieces.
- Remove the tweezer by gently pressing down and sliding them out.
- **Attach the storage drawer:** Turn the gameboard upside down, and slide in the storage drawer as shown. Make sure the drawer slides in and out easily. Then turn the gameboard right-side up again. See the illustration below.

GAME SETUP

Separate the Doctor cards from the Specialist cards. Shuffle the Specialist cards and deal them out faceup so that each player gets an equal number. Place extra cards out of the game. Shuffle the Doctor cards and place them facedown near the board. Choose a "banker" to pay players for successful "operations." Drop each Funatomy part flat into its matching gameboard cavity.

GAMEPLAY

The youngest player goes first. Play then passes to the left.

ON YOUR TURN

1. Draw the top Doctor card and read it aloud. The card tells you which part to remove and how much you'll earn for it. See the example below.

THE DOCTOR WILL EARN \$700 FOR SUCCESSFULLY "OPERATING" ON BUZZ LIGHTYEAR'S RADAR RASH.

2. Take the tweezers and try to remove that Funatomy part, but be careful! If you touch the metal sides of the cavity, you'll get buzzed and Buzz Lightyear's wingtip will light up!

• **SUCCESS!** If you remove the part without setting off the buzzer, take your payment from the banker. Keep the part in front of you and place the Doctor card out of play. This ends your turn.

• **SORRY!** If you set off the buzzer before completing the "operation," your turn is over. Replace the part flat in the cavity and keep the Doctor card in front of you. Now the Specialist gets to try.

THE SPECIALIST

Now all players look at their Specialist cards. The player with the Specialist card for that "operation" now tries to remove the part for twice the payment! See the example below.

THE SPECIALIST WILL EARN \$1400 (TWICE THE DOCTOR FEE) FOR SUCCESSFULLY REMOVING THE RADAR RASH.

Note: If the Specialist card is out of play, place the Doctor card facedown at the bottom of the deck. The player to the left of the Doctor goes next.

• **If the Specialist is successful,** he or she gets the payment. Place both cards for that "operation" out of play. The player to the left of the Doctor goes next.

• **If the Specialist is unsuccessful,** place the Doctor card facedown at the bottom of the deck. The Specialist keeps the Specialist card. The player to the left of the Doctor goes next.

WINNING

The game ends when all 12 Funatomy parts have been removed. The player with the most cash wins!

IMPORTANT: BATTERY INFORMATION
PLEASE RETAIN THIS INFORMATION FOR FUTURE REFERENCE. BATTERIES SHOULD BE REPLACED BY AN ADULT.

TO INSERT BATTERIES

Loosen the screw on the battery compartment, located on the underside of the console, and remove the door. Insert 4 AAA size batteries (we recommend alkaline), making sure to align the + and - symbols with the markings in the plastic. Replace the door and tighten the screw.

CAUTION:

1. As with all small batteries, the batteries used with this product should be kept away from small children who still put things in their mouths. If they are swallowed, promptly see a doctor and have the doctor phone (202) 625-3333 collect. If you reside outside the United States, have the doctor call your local poison control center.
2. Always follow the instructions carefully. Use only batteries specified and be sure to insert item correctly by matching the + and - polarity markings.
3. Do not mix old batteries and new batteries or standard (carbon-zinc) with alkaline batteries.
4. Remove exhausted or dead batteries from the product.
5. Remove batteries if product is not to be played with for a long time.
6. Do not short-circuit the supply terminals.
7. Should this product cause, or be affected by, local electrical interference, move it away from other electrical equipment. Reset (switching off and back on again or removing and re-inserting batteries) if necessary.
8. RECHARGEABLE BATTERIES: Do not mix these with any other types of batteries. Always remove from the product before recharging. Recharge batteries under adult supervision. DO NOT RECHARGE OTHER TYPES OF BATTERIES.

FCC STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

NOTE TO UK Consumers:
This product and its batteries must be disposed of separately at your local waste recycling centre. Do not dispose of in your household waste bin.

We will be happy to hear your questions or comments about this game. Please write to: Hasbro Games, Consumer Affairs Dept., P.O. Box 200, Pawtucket, RI 02862 USA. Tel: 888-836-7025 (toll free). European consumers please write to: Hasbro UK Ltd., Hasbro Consumer Affairs, P.O. Box 43, Caswell Way, Newport, Wales, NP19 4YD, or telephone our helpline on 00 800 2242 7276.
