# Romper Stompers™ Beast Feet

**NOTE:** Start by using ROMPER STOMPERS™ toy on carpeted surfaces for best results while getting accustomed to using this toy.

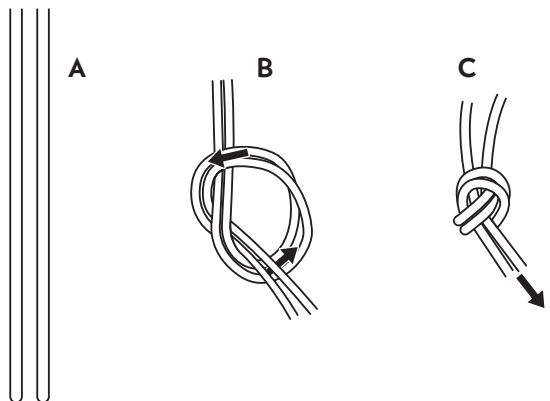

## Easy Assembly:

1. Thread one end of cord through the hole on one side of the Romper Stomper™ toy, and back through the hole on the other side of the toy.

Pull cord up and measure the length of cord so it reaches between your child's hip and waist.

2. Flip the Romper Stomper™ toy over and gather two ends of cord. Tie knot as shown.

### PLEASE NOTE:

For optimal performance, please be sure to remove any excess cord from underneath the toy after tying knot securely.
