ASSEMBLY

FIGURE 1

SETUP

1. Place the game on the floor in the centre of the room.
2. Place foam frog on lily pad launcher.
3. Place all the character lily pads around the room character side facedown. Now you're ready to play!

GAMEPLAY

1. Spin the butterfly spinner while the other players watch.

NOTE: A different player should spin the spinner for each round.

2. When the spinner stops on one of Froggio's friends, all players simultaneously look for the matching picture by turning over the lily pads around the room. If the picture does not match the character spun, put the lily pad back on the floor facedown and keep looking. If the picture matches the character spun:

- **DROP** the lily pad on the floor character-side up.
 - **RUN** back to Froggio and **STOMP** on the lily pad launcher to pop Froggio into the air.
 - **CATCH** Froggio before he lands on the ground. If you catch him, you get to keep the matching lily pad you found. If you don't catch Froggio, put the lily pad back on the floor character side down.
3. Continue to spin and play until all the lily pads have been collected.

WINNING

The player who finds the most friends wins!

FOR YOUNGER PLAYERS

Play as above, with the following changes:

- Place the character lily pads faceup so players can see the characters.
- To collect a character lily pad, players can either catch Froggio in the air after they "pop" him, or pick him up off the floor after he lands.
