

CAN YOU
SCULPT IT?

OBJECT OF THE GAME

Work together as a team to sculpt and guess all the answers before time runs out.

Notice: Cranium Clay contains wheat.

GET READY

- 1 Set out the timer, Cranium Clay, and cards.
- 2 Put six cards face down where everyone can reach them. This is the play pile. Set the rest of the cards aside.
- 3 The person whose birthday is coming up next goes first.
- 4 When all players are ready, start the timer!

ON YOUR TURN

- 1 Draw a card from the play pile.
- 2 Get your teammates to guess the answer by sculpting the subject in Cranium Clay with no talking or gestures.
- 3 When someone says the correct answer, put the card in a separate win pile.

If you get stuck on a card, you can pass by discarding your card and adding two new cards to the play pile.
- 4 Now it's the next player's turn.

HOW TO WIN

If your team empties the play pile before time runs out, you win!

TRY THIS!

- Looking to raise the stakes? Try adding more cards to the play pile.
- Mix and match any cards from all four Cranium Favorites games (Cloodle, Humdinger, Letter Line-Up, and Sculptorades) to create your own custom play pile.
