

SPIDER-MAN® Web Car

Web Car Operation To Catch Villains:

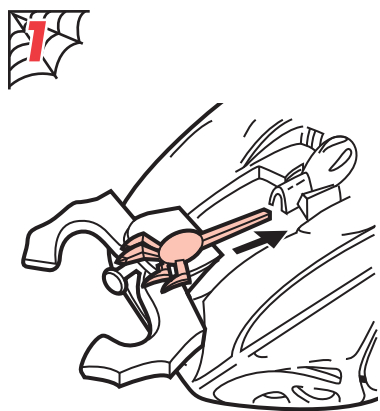

Set pincer in open position and set villain figure (sold separately) in front of pincer.

Push down spider legs at rear of vehicle to extend pincer and grab the villain!

Surprise Attack Spider Missile:

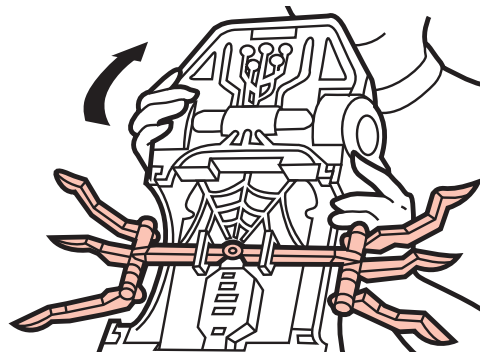

Load missile.

Press shifter trigger to launch.

To spring out spider legs, just lift the vehicle!

Not suitable for children under 3 years because of small parts — choking hazard.
