ROBOT MODE

A series of 18 numbered panels illustrating the transformation of CliffJumper from car mode to robot mode. The steps are: 1. Rear view of the car. 2. Side view of the car with red rear fenders being attached. 3. Side view with the red fenders fully attached. 4. Car is flipped upside down. 5. Red rear fenders are being folded inward. 6. Red fenders are being folded further inward. 7. Red fenders are being folded into the car's body. 8. Red fenders are being folded into the car's body. 9. Red fenders are being folded into the car's body. 10. Red fenders are being folded into the car's body. 11. Red fenders are being folded into the car's body. 12. Red fenders are being folded into the car's body. 13. Red fenders are being folded into the car's body. 14. Red fenders are being folded into the car's body. 15. Red fenders are being folded into the car's body. 16. Red fenders are being folded into the car's body. 17. Red fenders are being folded into the car's body. 18. Red fenders are being folded into the car's body. The final panel shows CliffJumper in his robot mode, holding a large red claw. A vertical red bar with the text "ROBOT MODE" is positioned to the left of the final robot figure.
