TRACK SET

Adult assembly required.
No tools needed.

PEEL AND APPLY LABELS AS SHOWN.

TRACK SET NOT COMPATIBLE WITH ALL TRANSFORMERS® DIE CAST VEHICLES.

PLAY:

Pull lever back all the way until it clicks, and release. Place vehicle at starting line. Push vehicle into tunnel. It will immediately launch and race around the track.

HOLD HERE WHEN PULLING LEVER.

Pull the lever back and release it to reset the launching mechanism. If you do it fast enough, your vehicle will speed up as it passes through the tunnel and gets launched again.

Keep pulling the lever to build up speed. After a few laps around the track, your vehicle will charge at MEGATRON® and smash him to pieces!

TO RESET:

Push button to reset gate. Assemble MEGATRON as shown.
