**CHANGING TO ROBOT**

1. Unfasten the chest panel.
2. Lift the chest panel up.
3. Swing the upper torso up and out.
4. Put the feet together.
5. Swing the head down.
6. Swing the arms up and out.
7. Flip the head and arms forward to complete the transformation to robot mode.

Reverse order of instructions to convert back to vehicle.

**NOTE:** Some parts are made to detach if excessive force is applied, and are designed to be reattached if separation occurs. Adult supervision may be necessary for younger children.
