CHANGING TO ROBOT

1. **Change to Robot Mode**
   - Rotate the body panel in the direction indicated.

2. **Connect the Head**
   - Attach the head to the body.

3. **Adjust the Arms**
   - Extend the arms in the direction shown.

4. **Attach the Rear Tires**
   - Connect the rear tires to the sides of the body.

5. **Complete the Robot**
   - Ensure all parts are securely fastened in the robot mode.

NOTE: Some parts are made to detach if excessive force is applied and are designed to be reattached if separation occurs. Adult supervision may be necessary for younger children.
