Detailed description of the transformation steps: The guide consists of 11 numbered panels. Panel 1 shows the robot with red wings (A) and arms (B) being removed. Panel 2 shows the robot's legs being folded inward. Panel 3 shows the robot's torso being rotated. Panel 4 shows the robot's legs being pushed together. Panel 5 shows the truck's front end being attached to the robot's legs. Panel 6 shows the truck's rear end being attached to the robot's torso. Panel 7 shows the truck's front end being rotated. Panel 8 shows the truck's front end being pushed forward. Panel 9 shows the truck's front end being rotated. Panel 10 shows the truck's front end being pushed forward. Panel 11 shows the truck's front end being rotated. The final image shows the truck in its vehicle mode.
